Tony Curtis creates brightly colored impressionistic paintings, drawings and assemblages reflecting the glamour of his movie star status, his generous nature and his zest for life. The subject matter of his paintings include domestic still lifes featuring floral and cat motifs, landscapes, celebrity and self portraits. Curtis's artwork is featured in prominent galleries, private collections and distinguished museums including New York's Museum of Modern Art. Considerable demand for Curtis's artwork dictates a busy exhibition and personal appearance schedule with his original paintings commanding in excess of \$50,000 per canvas.
